

# Calhoun County

## Breed Record Management

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Youth Club: \_\_\_\_\_

Leader: \_\_\_\_\_

Age (as of Jan. 1):                      Years in rabbit breed project:

Beginner:              Junior:              Intermediate:              Senior:  
(please circle which one applies to you)

I enrolled in this project because \_\_\_\_\_

I chose this breed of rabbit because \_\_\_\_\_

Ear tag # \_\_\_\_\_

Attach a picture of rabbit:

How would you keep your rabbit healthy?

What do you do to prevent diseases in your rabbits?

Feeding your rabbits is a major part in keeping your rabbit healthy. Describe your feeding program that you use for your rabbits.

What is your rabbit breed's main purpose?

Another way of keeping your rabbits healthy is housing. What does your housing plan look like for your rabbits?

During the summer rabbits get hot, what do you do to keep your rabbits cool?

They also need to be cared for in the winter especially with our cold winters. What do you do to keep your rabbits warm in the winter?

How did you choose your rabbit?

What did you look for in choosing your rabbit?

What is your favorite part about owning a rabbit?

If you could have any breed of rabbit what would it be and why?

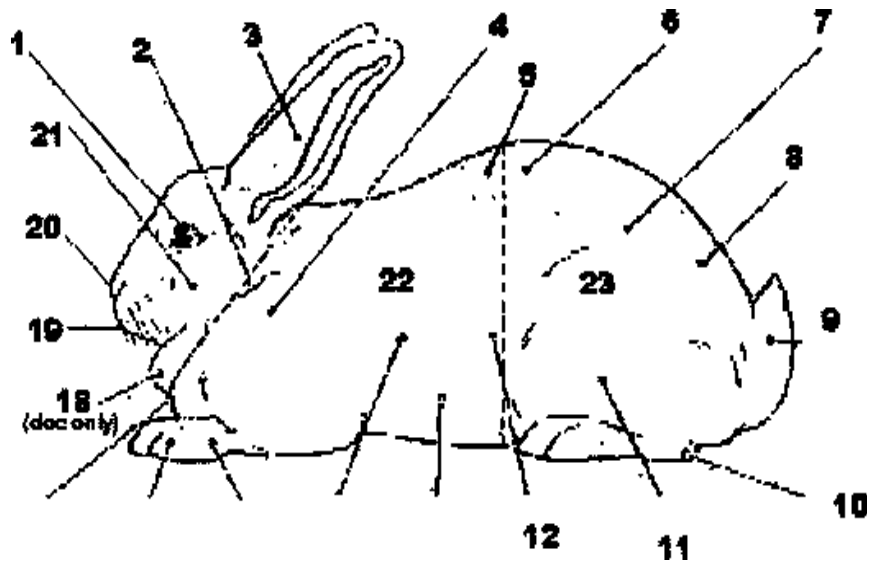

Place a favorite picture of you and your rabbit or just your rabbit.
