## Open Pulls

### OBJECT:

1. The value of draft animals depends upon their ability to pull and capacity to endure sustained effort.
2. The object of this test is to determine the sustained maximum pulling capacity of each pair. These tests will also afford valuable scientific data on the relation between form and function in draft animals and will stimulate interest in the breeding and use of good draft horses. In particular it is desired: (a) to demonstrate the value of type, soundness, and proper breeding in the selection of horses intended for the long and arduous draft work; (b) to ascertain and to demonstrate the proper method of training and conditioning horses for long and severe draft work; (c) to encourage horsemanship in fitting harness and in driving; and (d) to demonstrate the maximum pulling capacity of the horse.

### RULES AND REGULATIONS:

1. Whipping or carrying a whip is forbidden. Undue use of lines, profanity, and shouting is prohibited.
2. Entry fee \$20.00 per team.
3. RULES ARE GOVERNED BY THE MICHIGAN HORSE PULLING BOAT ASSOCIATION. Detailed copies of these rules are available upon request.
